

IF I WERE A Centimeter TALL

↑
regular
me

By: Emmalyn

If I were
a centimeter
tall...

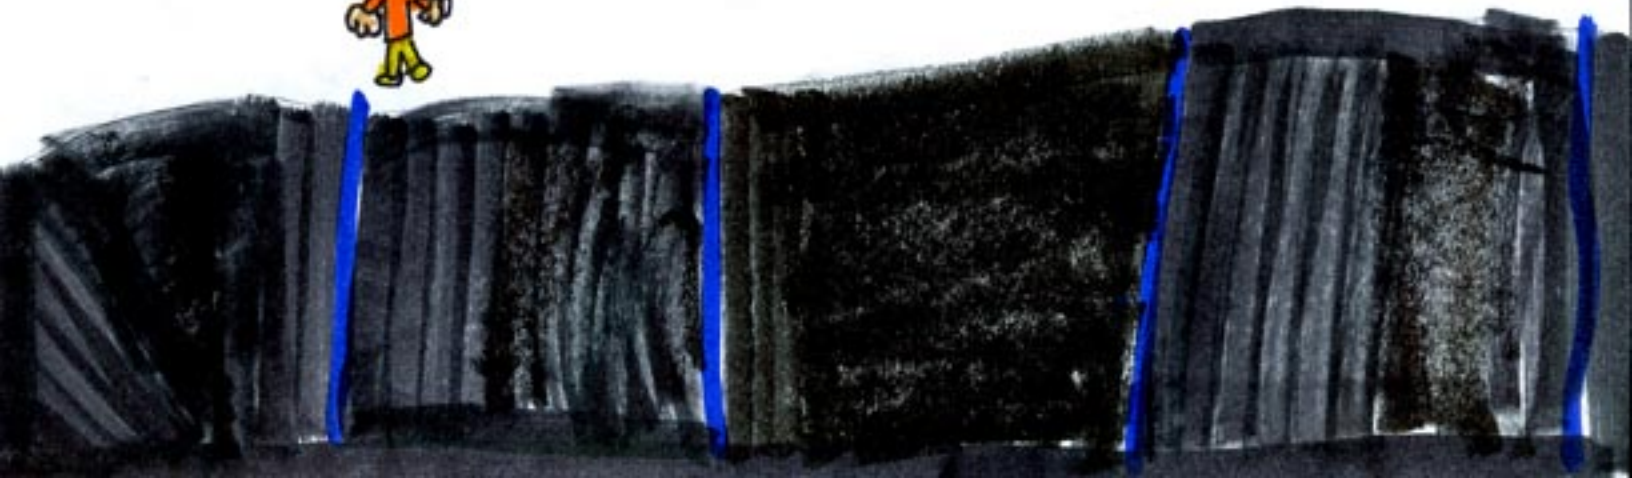

I could have
a pet ant.

I would have
to avoid being
squished.

I would have to
talk really loud for
people to hear me.

A piece of paper could be
a parachute and a pancake
could be a trampoline,

I would be really light so
could be blown away by the
wind gust.
The End
