

The Lost

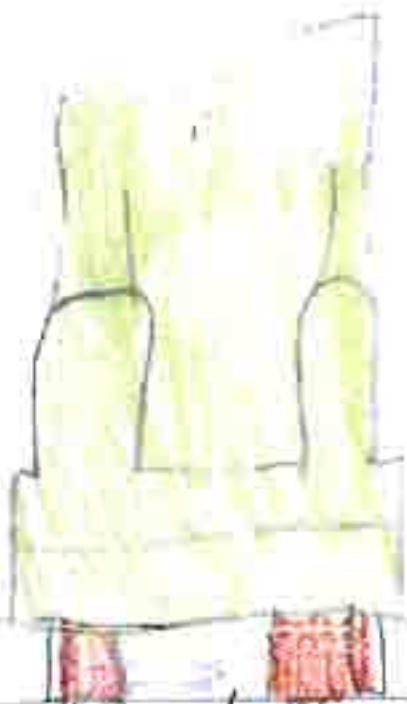

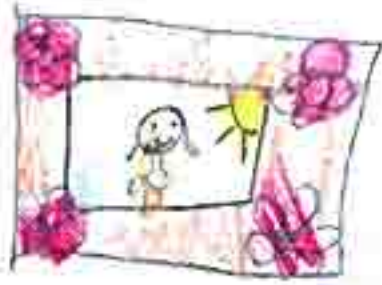

Elephant

by Maya

Hi. I'm an elephant
named Timmy. I live
in a bedroom.

My owner's name
is Jimmy.

One day he came
in the room and
picked me up.

He took me
to the car and
sat me down.

We drove and
drove and drove
the whole morning

We were going
to the beach!

I love the beach!

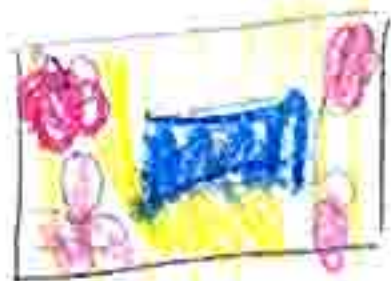

We finally got
there we played
together all day.

Until he lost me
in the ocean!

When they were
about to go, a wave
came in and I was in it

Then we went home
and Jimmy was so
happy to see me.

My trunk was
full of sand.
