

The Rainbow Butterfly  
By Catarina

Rainbow butterfly lives in Enchanted Forest, her

Her job is to make everyone happy

Butterfly spreads colors from her  
wings all over the forest.

She is very busy in

Spring

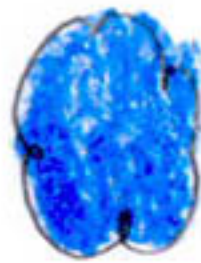

and

Fall

One day Butterfly saw a hole  
in the forest.

In the hole was a very sad mole

What's the matter?

Asked Butterfly.

I can't see very well.

More than anything I wish

I could see the pretty  
colors in the forest.

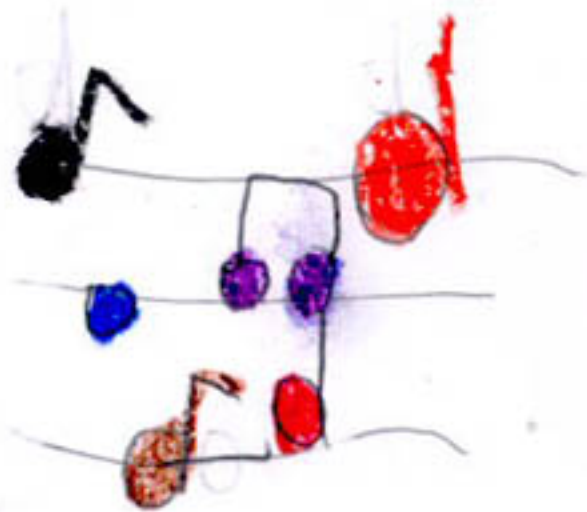

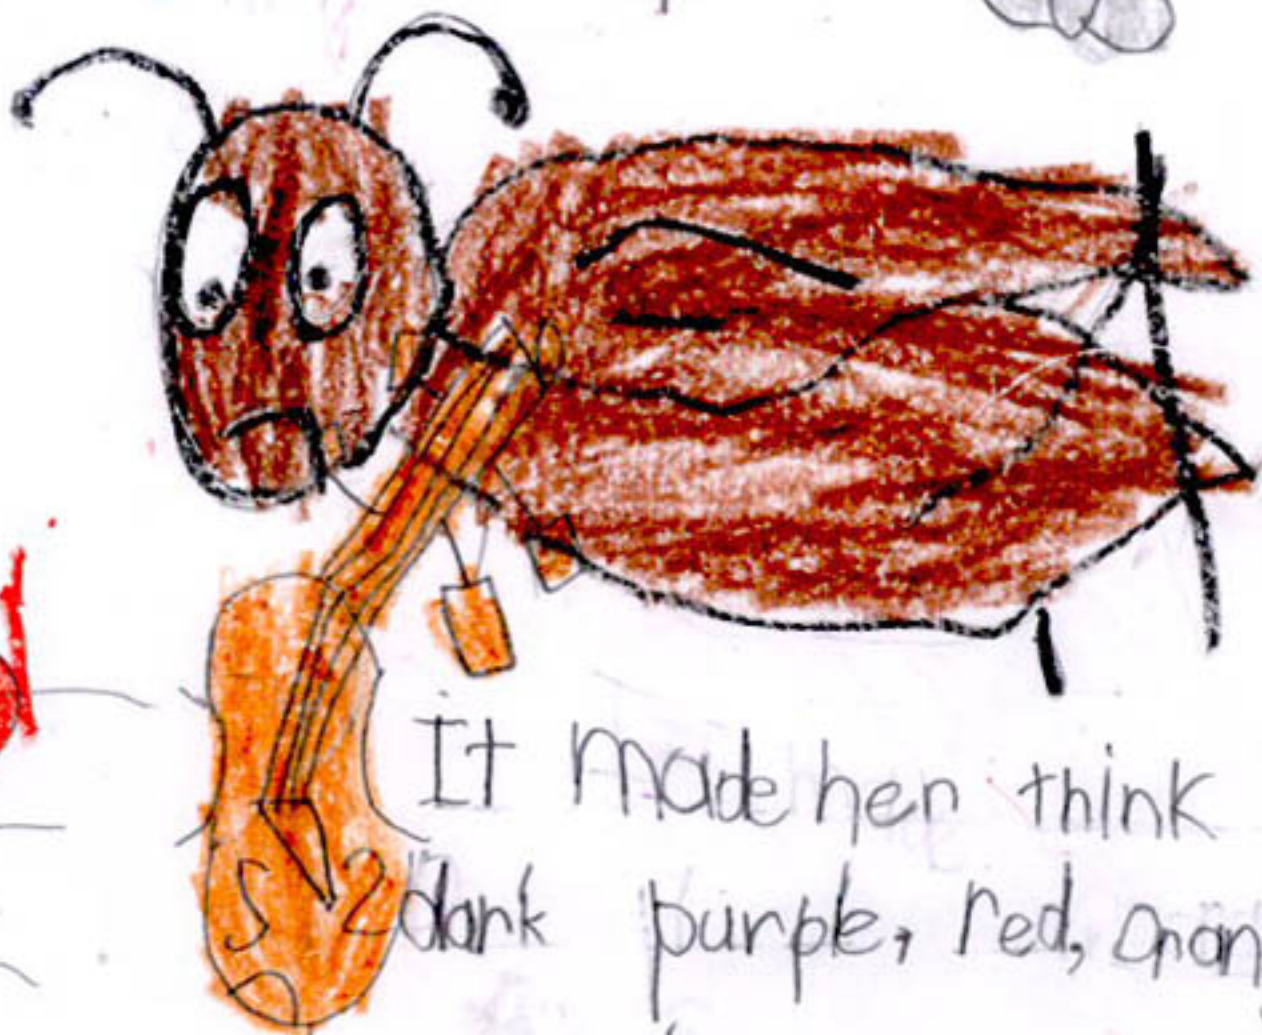

Butterfly was sad  
because Mole wasn't  
happy. She flew away.  
Everything in the  
Forest turned gray  
even her wings.

Butterfly saw Mr. Cricket.

He was sad. He missed the  
colors too. He played a sad  
song on his violin.

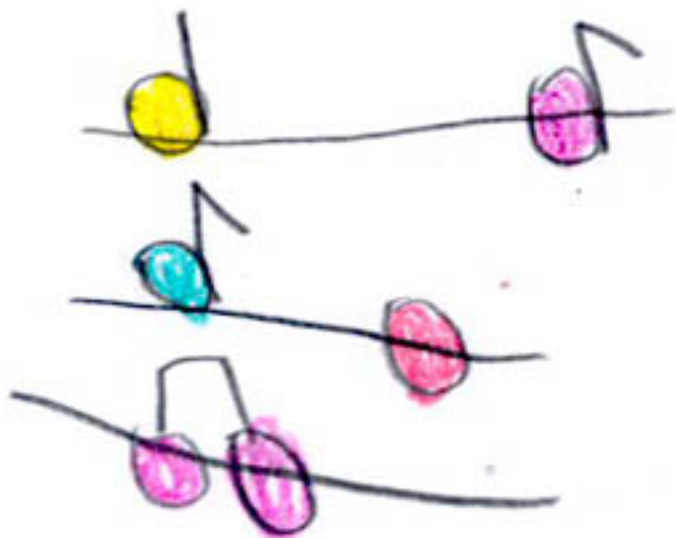

Butterfly listened.

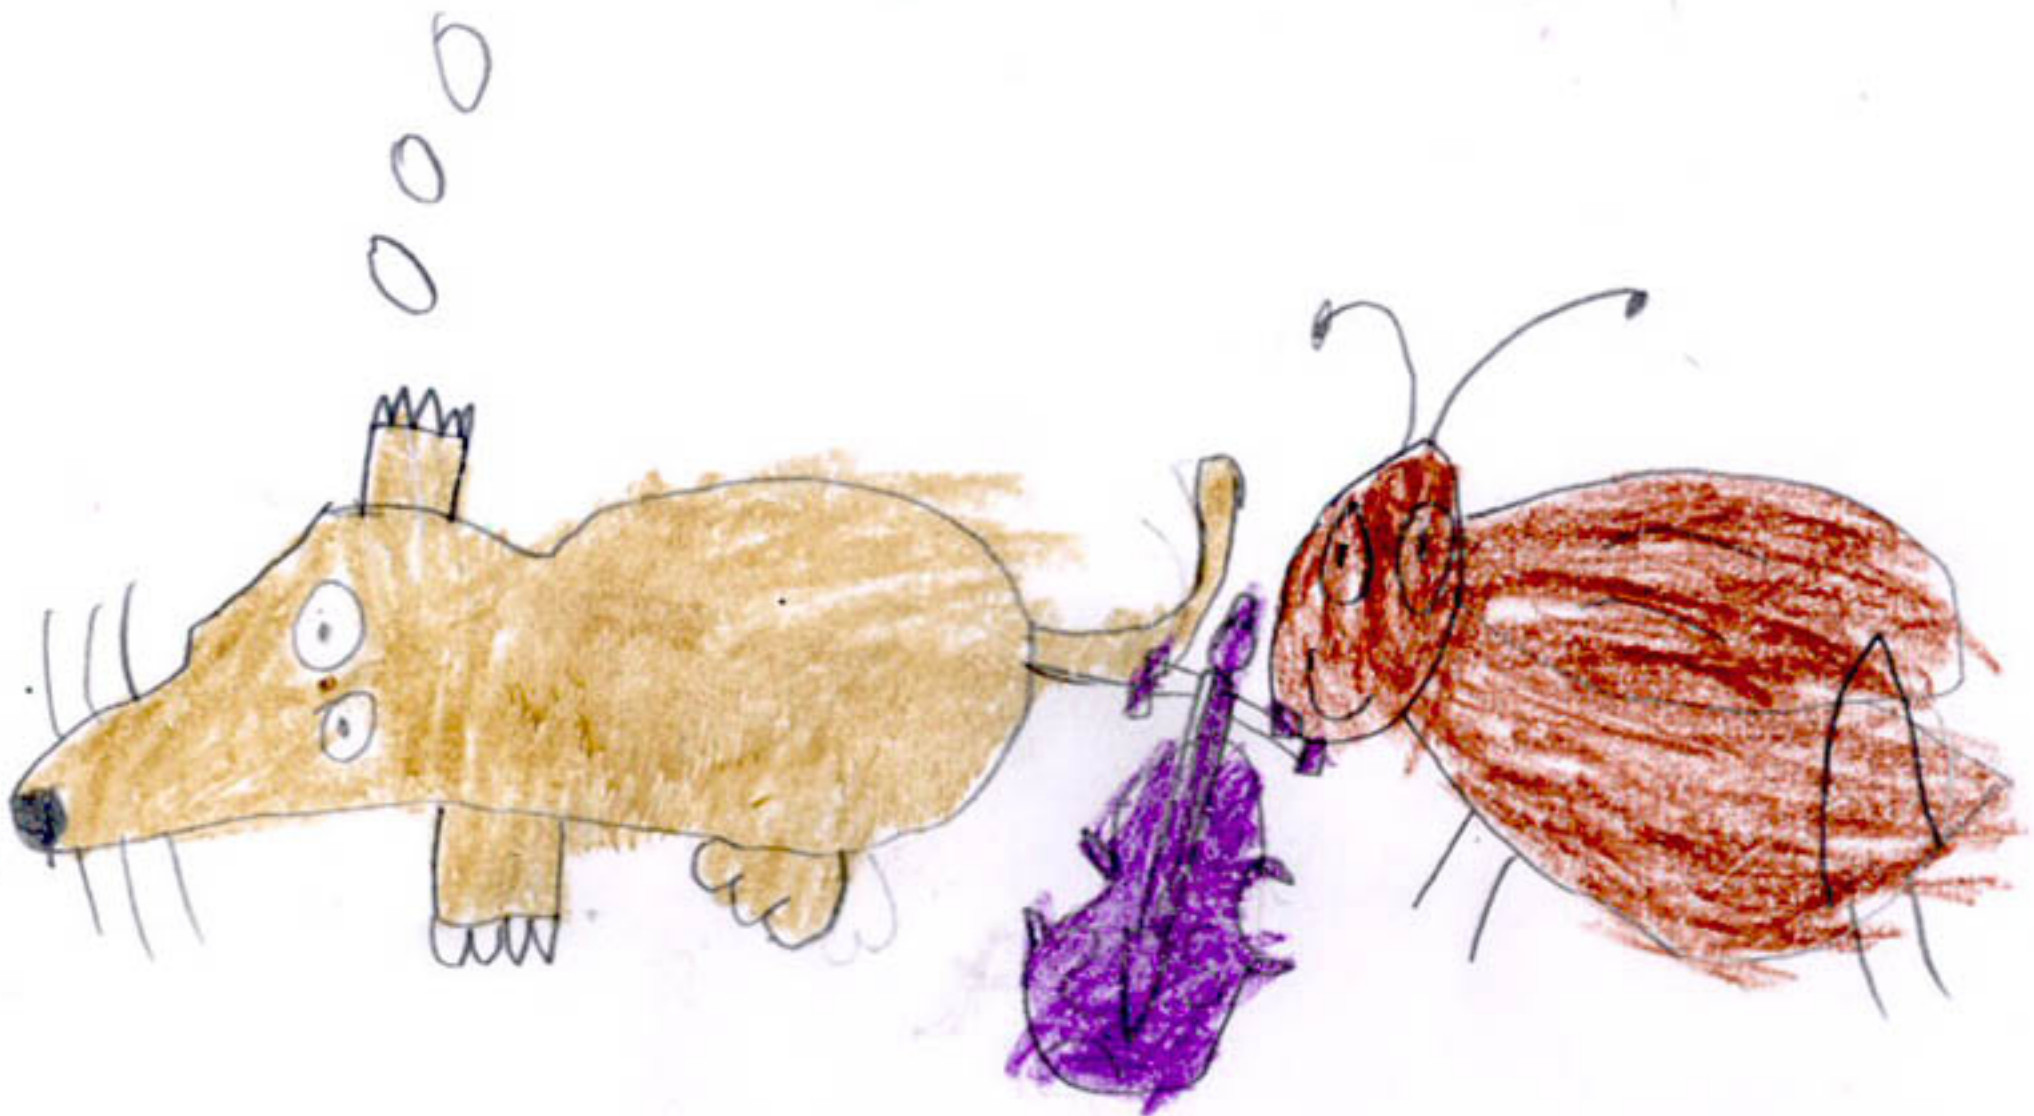

It made her think of the  
dark purple, red, orange and  
brown leaves of fall.

Can you play a happy song?  
asked Butterfly. Mr. Cricket played a  
happy song.

This made Butterfly think of  
bright pink, purple, blue and  
yellow flowers of Spring.

Rain Bow Butterfly and Mr. Cricket  
Went Straight Back to Mole.  
Cricket played a happy  
for Mole. Mole saw bright  
Colors in her mind. Song

Now there is always  
beautiful colors and music  
in the forest. and  
everyone is Happy!
